Subject: The "Visit" of a Group of Ukrainians to Canadian Embassy
in Moscow, Feb /Mar 1966

Date : 29 Jul 1966

1. According to our Source in Canada, Mr Ford, fnu, Canadian Ambassador to the Soviet Union, has recently told a group of trusted interlocutors the following :

End Feb or early Mar 1966 a small group of Ukrainians approached the Canadian Embassy in Moscow and one or two of them managed to get inside. They explained to Canadian officials that they wanted to convey to Canada that there was now a concentration camp near Moscow in which the regime kept a few hundreds of Ukrainian prisoners, mainly students and other intellectuals.

Canadian officials noticed that before the Ukrainians had left the Embassy there were already ~~two~~ police cars waiting on both ends of the street and evidently the KGB interrogated the visitors about their purpose of their visit at the Embassy. ^{afterwards} It was also quite probably ^{clearly visible} that those cars were used to chase ~~them~~ away as demonstrators.

2. Additional data on the information and the circumstances under which it was obtained by our Source, has been requested.
